Dear Sir:

Applicant submits this Amendment and Response to address the Final Office Action having a mailing date of May 20, 2003. Also included herewith is a substitute specification of the above-identified application, wherein all graphs have been deleted from the specification (i.e., crossed through), and converted to figures in a similar manner as to that of U.S. Patent Application Serial No. 09/573,795 which the Examiner and Applicants' representative agreed upon in that application. Additionally note certain graphs have also been corrected in a similar manner as in U.S. Patent Application Serial No. 09/573,795. Accordingly, duplicant drawing sheets are provided for the figures having a content that differs from their corresponding graphs, wherein amendments to the figures are identified in red.
